Dear Sanjay,

In 2025, EXL has made remarkable progress in advancing our data and AI strategy, which has been central to strengthening our position in the industry. By embedding AI into client workflows, we consistently deliver differentiated value and drive better outcomes, faster. Our unique strengths in domain expertise, data, and AI have enabled us to transform processes—reducing turnaround times from a week to just a few hours, accelerating speed to market for new solutions, and enhancing customer experiences.

This momentum is not only a testament to our strategic vision but also to your hard work and commitment. The trust our clients place in us is a result of your dedication, making EXL a preferred partner for navigating change.

As we look ahead to 2026, we remain focused on accelerating our journey to become truly AI-native and investing in AI-driven capabilities across our talent pool, empowering every colleague to thrive in an innovation-led, future-ready EXL.
